The easiest way to travel around is by self-drive mini-vans; they give your group more freedom and are really easy to drive. For groups that don't want this we can also arrange transfers by private coach.

FLIGHTS

We will work to find the lowest prices available for flights for your group, or you can arrange your own through a local travel agent, the choice is yours.

We love Florida. It's a great tourist destination and the youth soccer there is well organised and very competitive. There is so much to see and do so a tour to 'the Sunshine State' combines great soccer and a great holiday!
