

The Limone Cup takes place for the 18th time from October 14th to 18th 2012 in the area of Lake Garda in Northern Italy. In 2011 there were teams from Denmark, Sweden, Finland, and Norway.

Each team play three matches on grass or artificial grass pitches of the highest quality. The rest of the stay is for relaxing and enjoying the wonderful area and the scenic villages by the lake. Day trips to e.g. Verona and the nearby amusement park Gardaland are also very popular among the participants.

Apart from the football tournament there is the possibility to watch a top match either in Champions League, UEFA Cup, or the Italian Seria A.

Accommodation during the stay is in holiday centres or hotels. We work closely with The Garda Village in Sirmione where you'll be staying in bungalows or caravans with room for four persons. All bungalows and caravans have bathroom and toilet, TV and a small kitchen. Every holiday centre or hotel has swimming pool access and the stay includes half board (breakfast and three course dinner)
