

The Costa del Sol

The Costa del Sol stretches along over 150 kilometres of Málaga province and is one of Spain's most popular tourist destinations. The area's mild climate is the main reason it's possible to enjoy the beaches and play football (and much more!) year round. Easily reached with low cost flights, the people are friendly and hospitable, the sports facilities are excellent.....could this be your destination for your next tour?

The Costa del Sol offers so much to do in addition to the soccer.

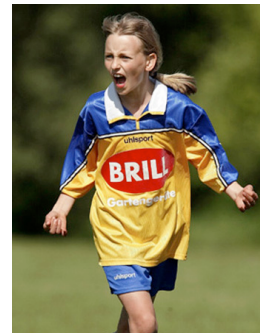

Morocco is just over the water and is well worth a visit – a real taste of Africa.

Nearer to your tour base you can spend time at a nearby Water Park or simply laze on the beach!

Gibraltar is close by - spend a day there 'tax free' shopping and seeing the famous apes

Accommodation We offer a wide range of accommodation from 3 to 5 star hotels. All are used to dealing with sports groups, in fact some even have their own football pitches!
