Football field hire

You have the choice of three different venues for your training camp, all of which are within walking distance of your accommodation. Two offer artificial pitches and the other offers a natural grass pitch.

The prices shown here are based upon six x 1 hour weekday sessions at **El Moli football ground**, which is one of the facilities that has an artificial pitch (See information sheet for picture and more details). If you want to use either of the other venues there will be a surcharge of £55.00 for **Municipal Football ground** (artificial pitch) or £270.00 for the natural grass pitch at the **Athletic Track stadium**. These prices are for your whole group. There is also a surcharge for use at the weekend or on bank holidays - contact us to find out more.

The fields will be marked out and nets are provided at each venue, simply bring balls, cones, etc.

Matches against local teams

We can also arrange for you to play against a local team if you wish.

The cost will vary according to where the matches are played. If they can be played at one of the fields used for training then the only costs involved will be field rental and referee expenses. If they can't and you need to travel to the game there will also be the additional cost of bus hire as well.

Visits to Camp Nou

Finally, it's possible for us to arrange a visit to the fantastic Camp Nou, home stadium of FC Barcelona.

These visits can be completely independent or can be arranged on the way to/from your accommodation if you fly into El Prat airport. Another option is to play a match in Barcelona and visit the stadium prior to your match.

Ask us for further information and costs.
